THE EDUCATION CENTRE
TULLAMORE

WHO IS EDUCATION CENTRE, TULLAMORE?

Education Centre, Tullamore is a sister college of Education Centre, Templeogue and of Ormonde Business School. All three colleges are part of the Ashfield Learning Group. Education Centre, Tullamore draws on the excellent reputation of Education Centre, Templeogue, together with its track-record of 20 years of successfully coaching Leaving Cert students to success.

OUR TUTORS

The key to successful learning is a great teacher. Our teachers love their subjects and care about their students. This dedication to the student is what makes 'The Education Centre' special. Many of our teachers have experience as Leaving Cert Examiners themselves and therefore understand the grading criteria and have the ability to show students how to maximise their grades in the state examinations.

EXPERT STUDY NOTES

Study notes are an invaluable resource for students striving to maximise their grades in the leaving cert. Our Expert Study notes focus on exam questions and topics and give concise and relevant notes to refer back to throughout the year.

COURSE STRUCTURE

5 hours per subject – intensive revision.

The course will cover the core elements of the Leaving Cert, including voluntary options. Elements of practical work and course work, as well as time management for exams and revision, will also be addressed during the course. Our teachers will prepare students for the different types of questions that will be asked in the leaving cert exam and give them the tools to answer them.

Christmas holidays offer you an ideal opportunity to focus on leaving cert subjects and topics, which you are currently finding challenging, and to supplement your current studies. It's an ideal time to **accelerate or kick-start your study plan**

WHAT ARE WE OFFERING YOU?

The Education Centre is offering you **the opportunity – before its too late – to maximise your potential in next summer's exams**. We offer you intensive five-hour courses in six core Leaving Certificate subjects. The courses are designed to be **packed with knowledge and expert advice, as well as being highly motivating**. The courses represent the highest added value for courses of their type currently available in Dublin.

WHAT DOES EACH FIVE-HOUR COURSE COMPRISE?

- revision of key topics, including optional topics
- comprehensive revision notes
- subject-specific exam techniques
- critical study skills

WHY CHOOSE CHRISTMAS REVISION AT 'THE EDUCATION CENTRE':

- Highly experienced, motivating teachers
- **Superb revision notes**
- Small class sizes
- **Focus on exam techniques**
- A proven track record in exam success
- **Safe suburban location**
- Assistance with organising your work plan for the year
